

Inscription Form for Bricks in the Mt. Zion UMC Prayer Garden

Thank you for ordering an inscribed brick that you may keep or have placed in the Mt. Zion UMC Prayer Garden. Our Mt. Zion Prayer Garden surrounds a fountain and offers a quiet place to pray or meditate. Choosing to keep your brick gives you the opportunity to carry it to a destination of your choice. You will also receive a special *Letter in Recognition of the Donation* of the gift that may be mailed to those to whom you honor or to the families of a loved one if the brick is a memorial. Inscriptions and donor name(s) are also listed in remembrance on our website **MZ Prayer Garden** page linked from www.mtziongrandy.org.

Your tax deductible donation of \$100.00 or \$105.00 if you choose to also have a symbol* on your brick will be used to help to lower our church mortgage. Please remember that depending on the symbol size, symbols will take up some of the lettering space. Our 2016 laser bricks can hold up to 20 characters per line (which includes the spaces between words) though no more than 18 characters is recommended.

In the spaces below, please print the words you wish to be inscribed. We will center the lettering when ordering your brick. *Checks may be made payable to: Mt. Zion UMC with GARDEN BRICK in the subject line.* Turn in your completed form with your check to the church office.

*To view the SYMBOL CHART visit <http://www.bricksrus.com/products/symbols/>.

You have the option to use up to 3 lines with 18-20 characters *including blank spaces* per line. If you choose not to use some lines, inscriptions will be balanced on the brick. Examples:
